**Reading**

- Please try to **read** with your child at least **three times each week**. After each reading session, we would really appreciate it if you could write a short comment in your child's reading record so we know they have been reading at home.
- Your child will also bring home a **'Book to Share'** for you to enjoy together. This is a book they have chosen themselves, so it may not match their current phonics level. Giving children the opportunity to choose books that interest them helps to develop a lifelong love of reading. These books will be **changed once a week**.

**Choose at least 1 of the following activities to complete each week.**
